 <p>Anderson Power Products An IDEAL Company</p>	<p>Anderson Power products are the original manufactures of Electrical Power Connectors SB, SBS, Powerpole and much more. <a href="http://www.andersonpower.com">www.andersonpower.com</a></p>
 <p>Standex MEDER ELECTRONICS Custom Engineered Solutions for Tomorrow</p>	<p>Standard reed switch-based sensor solutions and custom electro-magnetic components, including magnetics products. <a href="http://www.standexelectronics.com">www.standexelectronics.com</a></p>
 <p>Amphenol LTW Innovation in Waterproof Solution</p>	<p>Waterproof connectors which are high/low temperature resistant, UV resistant, and dusts, sands and corrosion proof and cable assemblies for various purposes and applications. <a href="http://www.amphenolltw.com">www.amphenolltw.com</a></p>
 <p>PHENIX CONTACT</p>	<p>Over 60,000 products, Phoenix have a diverse portfolio. Our products are the result of decades of intensive development and consistent customer focus. <a href="http://www.phoenixcontact.com">www.phoenixcontact.com</a></p>
 <p>HIRSCHMANN Test &amp; Measurement A BRAND OF SIS</p>	<p>With our product range, we provide a reliable brand of safety measuring leads and test accessories according to standard IEC 61010 / VDE 0411. <a href="http://www.sks-kontakt.de">www.sks-kontakt.de</a></p>
 <p>OMRON ELECTRONIC COMPONENTS</p>	<p>From micro-relays to advanced sensors, relays and switches, Temperature control devices, full range of control components, large range of tactile switches and more. <a href="http://www.omron.com.au">www.omron.com.au</a></p>
 <p>samtec</p>	<p>Rugged contact systems, flexible power interconnects, board to board, connectors, silicone to silicone, cables, optics, RF, a product to meet all the interconnect needs. <a href="http://www.samtec.com">www.samtec.com</a></p>
 <p>YAGEO KEMET Ceramic Capacitors</p>	<p>Yageo acquired Kemet increasing the portfolio, chip resistors. Multi layer ceramic capacitors, tantalum capacitors, inductors and coils, Electrolytic cap's and circuit protection. <a href="http://www.yageo.com">www.yageo.com</a></p>
 <p>WINSTAR</p>	<p>LCD Display Module and LCD Panel Supplier. High-quality display module products. Including LCM Modules, TN/STN/FSTN LCM, COG LCD, TFT LCM / TFT panels. <a href="http://www.winstar.com.tw">www.winstar.com.tw</a></p>
 <p>OUPIN</p>	<p>Oupin established in 1977 they have an extensive range of Board level and cable connectors. Edge connectors. Box headers, IDC, DIN41612, EMI Shielded, RJ, USB and more. <a href="http://www.oupiin.com">www.oupiin.com</a></p>
 <p>CviLux</p>	<p>Flat flexible cables, wiring harnesses, custom cable assemblies, a wide range of connector including power connectors, IC sockets, DVI and Memory card holders. <a href="http://www.cvilux.com">www.cvilux.com</a></p>
 <p>TENTA</p>	<p>Capacitors, Poly film, Metalized film caps, motor running capacitors, X1, X2, XY, Y2 capacitors, Axial poly capacitors. <a href="http://www.tenta.com.tw">www.tenta.com.tw</a></p>
 <p>ALEX</p>	<p>Alex since 1982 have been servicing the electronics and electrical industries with Housing, Terminal, Wafer &amp; Header, Wire Harness, Cable Assembly, etc. <a href="http://www.alexconn.tw">www.alexconn.tw</a></p>
 <p>G-Antetech Industrial</p>	<p>G-Antetech specialize in antennas and cover all facets of antennas GSM, flexible, radio, vehicle, transmission, Omni-directional Antenna, WIFI and combination antennas. <a href="http://www.g-antetech.com">www.g-antetech.com</a></p>
 <p>JACKCON</p>	<p>Jackcon are known for their passive component, varistors, resistors, film capacitors, ceramic capacitors, electrolytic and diodes. <a href="http://www.jackcon.com.tw">www.jackcon.com.tw</a></p>
 <p>SWITRONIC</p>	<p>Switches plus rotary, push button, rocker, toggle, miro you name it they have it. Board mount and panel mount. <a href="http://www.switronic.com">www.switronic.com</a></p>
 <p>KANG YANG ENTERPRISES</p>	<p>Kang Yang have all your accessory needs. Board stand offs, LED Bezels, spacers, supports, cable clamps and management, gromet, stain relief &amp; many other products. <a href="http://www.kangyang.com">www.kangyang.com</a></p>
 <p>MICROCHIP</p>	<p>Well established as one of the world leaders in semiconductors Microchip offers a vast range of microcontrollers, processors and all you need with the peripheral components. <a href="http://www.microchip.com">www.microchip.com</a></p>
 <p>Kingbright</p>	<p>Founded in 1980 as one of Taiwan's LED pioneers. A well know brand and first choice for most designers for quality and range. <a href="http://www.kingbright.com">www.kingbright.com</a></p>
 <p>VITZRO CELL</p>	<p>Known mostly for their range of batteries Tekcell brand but they have much more from high temperature applications Supper caps, Lithium, Thermal batteries. <a href="http://www.vitzrocell.com">www.vitzrocell.com</a></p>
 <p>Conwin Enterprise</p>	<p>Custom cable assemblies. One of the best companies for finding an alternative connectors as they manufacture one of the largest range of equivalents connectors to match the well known brands.</p>
